

Leza Zila Yakwe Itayumi Ya Lufutuko

Mweenzuma: Ndi kubuzya buzyo Li yadika mu moyo wako. **Kusekela kwako na macise kuimikila a lingulo lwako.** Libuzyo ndyeli sa : **Mwaka futuka?** Ili talili buzyo lyakuti sa uchita milimo mibotu pe, namunjila cikombelo pe, pele sa **mwaka futuka?** **Sena ulisinizide uyoongila Kujulu noyo kufwa?**

Leza wamba kuti akwika Kujulu ulyeelede kuzyalwa kobilo. Muli Johane 3:7, Jesu wakambila Nicodemus, **“Ulyeelede kuzyalwa kobilo.”**

Mu baibele Leza watupa zila yaku *zyalwa kobilo* ulu ndo *lufutuko*. Zila yakwe taiyumi! Inga wa **fukuta** sunu. Buti?

Kutanguna, mweenzuma, welede kuzumina **kuti waka bisya.** **“Nkaambo boonse babisya, akulela kubulemu bwa leza.”** (Ba Roma 3: 23)

Nkaambo waka bisya **welede lufu.** **“Nkaambo cakuvola [malipilo] cazibi ndufu.”** (Ba Roma 6:23) **Eeci camba kwandana aLeza kuinka ku Gehena.**

“...lino mbuli mbokubede kuti bantu kabanga kabafwa lweendo lomwe, elyo babatekwe.” (Hebrayo 9:27)

Nkaambo obuya Leza mbwaaka kuyandisya, **Wakapa mwanaakwe simuzyalwa alike, Jesu, kunyamuna bubi bwako akukufwida abu cena bwako.** **“...Oyo iwatakazi zibi [Jesu takazi zibi] **Leza wakamucitya kuti abe zibi nkaambo kandiswe... kutiswebo tube bululami bwa Leza mulinguwe.”** (2 Ba Korinto 5:21)**

Jesu wakatila bulowa bwakwa akufwa. **“Nkaambo mubulowa mobubede buumi bwanyama”** (Levitiko 17:11) **“...Alimwi takukwe kulekelewa kwazibi mane do kukutila bulowa [kujatila].”** (Hebrayo 9:22)

“...pele Leza walo ulatindezya luyandsyo lwakwe kulindiswe, boobo nkaambo nitwakacili basizibi, **Kristo wakatufwida.”** (Ba Roma 5:8)

Nakubakuti inga tatu nvwizizi buti, Leza wamba kuti **zibi zyangu a zibi zyako** zyakabikidwa ali Jesu **akutufwida mubusena bwesu.** Wakakala **Abusena bwesu.** Ichi ciluleme. Leza takozi kubeja.

Mweezuma, **“Leza... ulailila bantu kumasena oonse kuti **basanduke.**”** (Incito 17:30) **Uku kusanduka** kwa mizezo kuzuma aLeza kuti uli simabi alimwi akuzumina kuti Jesu waka fwida ndiswe acingano.

Mu Incito 16:30-31, wa kuphilipi uulindila ntolongo wakabuzya paulo a sila kuti: **“...Nobami, **ino ndicireenzi kuti ndifutulwe?**”** Bakati, **“syoma ku-mwami Jesu, noti futulwe...”**

Takusupi syomabiyo **Aliwalo waka bweza zibi zyako, akukufwida abusena,** waka zikwa pele Leza waka mubusya. **Bubuke bwakwe bulapa nguzu kuusyoma** kuti ulatambula buumi butamani nawatambula Jesu kuba mufutuli wakwe.

“Ino boonse abamuzumina, nkokuti abasyoma zina lyakwe, **Wabaabila nguzu zyakusanduka akuba bana ba Leza.”** (Johane 1:12)

“Ikuti **umwi aumwi uulilila izina lya-mwami **ulafutuka.**”** (Ba Roma 10:13)

Umwi aumwi kubikilako nduwe. **Ulafutuka** takwambi kuti ambweni, na inga, **pele ulafutuka.**

Nchobeni, kuti wazunina ulisimubi lino awa, konse nkubede, kusaduka, nyamuna moyo wako kuli Leza mu kukomba.

Muli Luka 18:13, simucitazibi wakakomba: **“Leza ndifwida luzye ndi mucitazibi.”** Komba biyo: **“Oh Leza, ndilizi ndi mucitazibi. Nda syoma Jesu wakafwida ndime acingano. Nda syoma wakatila bulowa aku fwa, kuzikwa aku bukisiwa kwakali kwangu. Lino nda mutambula kuti mufutuli wangu. Ndalumba aku ndilekelela zibi, cipego ca lufutuko a buumi butamani, nkambo ka mbweetelelo bwa busongo. Ameni.”**

Bweza biyo Leza alizwi lyakwe, libwezele lufutuko mukusyoma. Syoma pele ula futuka. Takwe cikombelo, nganda, na incito mbotu ikozya kukufutula. **Koyeya Leza ngu futula biyo.**

Leza itayumi nzila yakwe ya lufutuko ngei: Nduwe uli simubi. Aboobo, kwakubula kusyoma muli Jesu wakakufwida abusena, uyoinika ku Gehena kuta mani. Na syoma muli Walo waka penga, kuzikwa aku bukisiwa mufutuli, ula tambula bulekelelo bwazibi zyako aci **pego bumi butamani ilwa lufutuko mulushomo.**

Wamba kuti “Cobeni, sa inga zyaba zitayum buya.” Mbombubo taziyumi! Zililembedwe. Eyi njo zilaya Leza. **Mweezuma, syoma mu Jesu aku mutambula mbuli mufutuli wako suni.**

Na eyi zila taimvweki kabotu, **ubale alimwi alimwi, ubale kuti umvwekisye.** Buumi bwako mbwanpindu kwindi nyika yoose.

“Nkaambo nimpinduzi njajana muntu anooli wavuba nyika yoonse nekuboobo wasweekelwa buumi bwakwe?” (Marko 8:36)

Kasimikizya waka futuka. Na wasowa buumi bwako, tiyongila Kujulu alimwi oyo sowa zyonse. Ndakomba! **Koleka Leza afutule buumi bwako mponya awa.**

Nguzu ya Leza ilakufutula, kukukazya ufutukile, akukupa nguzu ya kukonga mubuumi bwako bwa cichristu. **“Taakwe lutepauzyo lumusikila cita mbuli matepauzyo ajana bantu bonse alimwi Leza wasyomeka, ikuti takoozoozumina kuti mutepaulwe kwiinda inguzu zyanu, pele antoomwe alutepauzyo ulacita cipolelo kuti mukabe alukolelo.”** (1 Ba Korinto 10:13)

Uta syomi kumva kwako. Kula saduka. Imikila amalay aLeza. Taya saduki. Wamana kufutulwa kuli zintu zotatwe zyuwelede kucita kukomeswa muya wako:

1. **Kukomba** – wambaule aLeza.
2. **Kubala baibele** – Leza kwambaule anduwe.
3. **Mulungulula** – kwambilila Leza.

Ulyeedlede kumbadizwa mubulemu kuli Jesu abu **bulungululi bwa kusinizya kwako kubantu**, alimwi ujatikane acikombelo ca Baibele kwakubula kusowa chindi. **“Utafwi bweeme kubumboni bwa mwami wesu...”** (2 Timoteo 1:8)

“Ncenambila kuti umwi aumwi uundizumina [bumboni] kubusya bwabantu, Ambebo nzoomuzumina kubusya bwa Taatu Bali Kujulu.” (Matayo 10:32)
